

**+** **INSURANCE SERVICES**

ADM offers a cost-effective one-stop shopping outlet for all your insurance needs. From the investigation of a claim to the evaluation, negotiation and settlement, we have the appropriate personnel to address your issues.

Our investigators, as well as our management staff, have had insurance company training and experience in all lines of claims handling and adjusting. As such, we understand how the nature of your request fits into the overall evaluation of your case and are aware of the impact of our results on indemnity dollars. Members of our staff have participated in claims handling audits as well as financial audits; therefore, we understand and are sensitive to the financial issues that address the insurance industry today.

Our fees are reasonable and can always be tailored to meet your requirements. We welcome the opportunity to speak with you about our available services.

## ABOUT ADM

It is the diversity of the experience of our staff at ADM that allows us to produce the quality product you need to assist you in your matter. Our staff is comprised of personnel with backgrounds in insurance claims handling, insurance claims investigation, law enforcement and litigation. These individuals each have in excess of ten years' experience.

We are certain that your office will be satisfied with the professional, expedient and diligent service afforded to each assignment.

ADM provides multi-line investigative/claim services with nationwide capabilities and the ability to expedite your requests.

In addition to their extensive experience, each member of our staff has been trained in investigation techniques and has exceeded education standards in their specific specialties. Our investigators are cognizant of the legal process and conduct all investigations with the utmost in ethical standards.

Presently, we are approved by several nationwide insurance carriers, Fortune 500 companies and prominent members of the legal community to service their needs. Please contact us and we will gladly provide you with references.

## SPECIAL SERVICES

If you have a particular need for any of the services listed, we have the qualified personnel who have been trained and certified in their particular areas to meet your needs. Our staff can provide you with the factual information you are seeking. Additionally, with a minimum of ten years' experience, members of our staff are seasoned veterans who have appeared in court at either depositions or trials on numerous occasions. Their credentials are available at your request.

We provide these services to the legal community, insurance industry, and many Fortune 500 companies.

As always, we are sensitive to your financial considerations and will tailor our fee to meet your budget. Please feel free to contact us for additional information.
